

## Frequently Asked Questions about the registration process:

Registration begins in July and finishes September 4. Forms will be available on our website.

If you curled at CCC last year or are a shareholder, you will receive email notification when registration is open. If you would like to be notified and did not curl with us last year, please send an email to [info@calgarycurlingclub.com](mailto:info@calgarycurlingclub.com) and you will be added to our list.

Registration is prioritized according to the following list:

- 1) Shareholder teams
- 2) Non shareholder teams that played in the same league last year
- 3) Teams from other league nights within the CCC
- 4) New teams based on application date.

So the earlier you register the better – date is a factor, as well as number of shareholders. Then we look at whether a team played in that league last year, or played on a different night at our club. If two new teams are tied for last registration spot and both have one shareholder, but one registered earlier, that one gets in.

If you are new to the club, pick your night and, when registration opens, email your forms to us as soon as possible. If you could play another night, put your 1<sup>st</sup> and 2<sup>nd</sup> choices on the form. We will not process your payment until you are ensured a spot.

**If you are a full team, new to the club,** please fill out both the team registration form and the individual registration forms for each team member. Once you have been added to our database, you will only need to submit the team form going forward unless your personal information changes.

**Returning teams need only fill out the team registration form.** Payment can be one full payment (the total of the individual member fees) or members can pay separately. *(Please note that if your team wants to split payments equally among members, you must take care of that OUTSIDE the payment to CCC. We cannot accept payments that don't fit our fee schedule. Thank you for your understanding.)*

**NOTE: all member payments must be in by September 4 to ensure your team spot in the league.**

### ***CCC Leagues***

Monday, Tuesday, Wednesday, and Thursday have Open Leagues (any combination of players). Monday and Wednesday also have a Men's League. Friday is a pure mixed league (2 men, 2 women). We take 180 teams for the five nights. On all nights, new teams start in "D" so we assume beginner status. If you would like to discuss this, please call the office or drop by.

### ***Associate Leagues***

We have 22 associate leagues that take teams as well. They rent ice from CCC, but run their own leagues. You can find information about these leagues – which run days, afternoons and weekends – on our website.

### ***Non-curlers & Single players***

If your non-curler members want, we do have instruction available. For \$45 they could spend ½ hour on the ice learning the basics. That could be set up in August/September before league play starts.

We do not have sign up for singles – it's all teams. We do have a form you can fill out if you want to be considered for a team, and if a team needs a member, we offer them the list of people looking.

Failing that, another option to curl more nights is to sign up as a Rover, which puts you on our official spare list. That said, unknown Rovers don't often get called, so if you do choose that option, we recommend that you show up ½ hr before a game you're free to play. Emergency team member needs come up, and once you've played some, then you are more likely to get calls.

## **LOCKERS:**

We are changing the system this year and locker registration is now separate from curling registration. If you are returning, you will be assigned the same locker, but must fill out a form with phone and email to get a lock.

If you would like a locker, please let the office know and we will tell you if one is available or put you on a waiting list.

## **DEFINITIONS:**

Senior: 65 as of September 1, 2018

Junior: under 18 as of September 1, 2018

Student: full time (proof of status necessary) for the 2018-19 season
