

Calgary Curling Club 2019 Greenhorn League

Saturdays at 5:00pm

This adult instructional league is designed to be an introduction to league play for people who have recently taken curling lessons. While the main focus of the league is game-play, there will be instructors present to provide guidance, give pointers and answer questions. The first day of each session will consist of a refresher-lesson before heading into a game. Subsequent classes will consist mostly of play. Classes are about 90 minutes long.

All registrants must have participated in introductory curling lessons such as The Learn To Curl clinic, The Curling Crash Course or private lessons. Participants are required to provide their own curling equipment. Equipment can be purchased from Curler's Corner which is located inside the Calgary Curling Club.

Winter Session, \$74 (plus GST)

5 Weeks: January 5th, 12th, 17th, 26th, February 9th

Registration begins December 4th, 2018
