

Welcome to the 2018/19 Curling Season!

Hello Locker holders

As most of you know, we cleaned out the lockers end of last season, and did some repairs.

Part of the new system we are implementing is new locks and combinations for everyone for security reasons. As well, we are asking you to update your contact info with us.

Please note that at the the end of next season we will again be asking you to clean out your locker for security and maintenance.

Filling out this form indicates your agreement to a 9-month locker rental for \$33, and also that you will help ensure the cleanliness and security of the locker room.

We appreciate your cooperation. Good Curling!
Sincerely, the CCC Office Staff
