

Rob's Turkey Shoot!

December 5, 2017

7:00pm until the Turkeys are gone!

Turkey Shoot is a game where 8 players throw 4 rocks each for points. The highest point total wins the turkey. The entry free is \$3.00/person.

All games must be played using one sheet. Players throw 2 rocks each down and back on the same sheet playing either a draw or hit-and-stay game. In all cases, each game needs a scorer. No brooms are held, and no practice rocks may be thrown.

**Scoring for the draw or takeout game:
Button = 5, 4 Foot = 4, 8 Foot = 3, 12 Foot = 2.**

In the takeout game, the object rock is placed directly behind the button. This rock must be taken completely out of the house for any points to count.

One rock, one opponent: you win, you keep going!
