### REFUND POLICY

The Calgary Curling Club is looking forward to welcoming you back to curl this fall. We know that many things are going to be different, and we will all have to adjust and continue to do so as information and regulations may shift through the season. The changes we are implementing are to comply with Alberta Health Services and City of Calgary guidelines but most importantly, for your safety.

We also know that the uncertainty during this pandemic is difficult for everyone. The CCC is a non-profit organization. Our costs are generally front-end loaded, with hiring seasonal staff, installing the ice, and, this year especially, preparing the club for your arrival and for safe curling for all. Because of this financial structure, in the event the club is forced to close for Covid-19 related issues or a government forced closure, we have put in place a refund policy that will allow for some flexibility in uncertain times, while also recognizing that there are expenditures for the club that we need to take into consideration.

We will keep you updated on any and all changes to the regulations as the season progresses, and are hoping for a full and rewarding (while different) curling season. We appreciate your understanding and patience as we make our way through this time with you.

You will receive the following percentage of your membership fees depending on the timing of the closure of the club due to Covid-19 or government regulation:

<b>September 9 to 22</b>	You will receive a 90% refund.
<b>September 23 to October 22</b>	You will receive an 80% refund.
<b>October 23 to November 22</b>	You will receive a 55% refund.
<b>November 23 to December 22</b>	You will receive a 33% refund.
<b>December 23 to January 22</b>	You will receive a 10% refund.
<b>January 23 or later</b>	There is no refund from this point.

Please note that refunds will be to the payment type used to sign up, with the exception of e-transfers, which will be refunded by cheque. Members will have the option to donate part or all of their refund to the Club.
