

Frequently Asked Questions about the registration process:

Registration opens at the end of July and ends the day after Labour Day (Sept 8 for 2020) and there are different deadlines depending on your category.

1. Shareholders, to get the benefit of priority registration, must have forms submitted by August 25.
2. Returning members (same night, new night, new teams) must also have forms submitted by August 25.*
3. All other categories have a registration deadline of Sept 8.

NOTE: the first two categories can register past those dates and up to Sept 8, but if the above deadlines are not met, they will NOT be given priority registration and will be ranked by date of registration.

*Returning teams are ranked by the number of returning players (i.e. teams with 4 returning members have priority over teams with 3), then by the date of registration. Returning teams are also ranked by the number of members who played in one of our evening leagues in the previous season, then by the number of members who participated in any club league or program.

Forms will be available on our website. If you curled at CCC last year or are a shareholder, you will receive email notification when registration is open. If you would like to be notified and did not curl with us last year, please send an email to info@calgarycurlingclub.com and you will be added to our list.

In all cases, the earlier you register the better – date is a factor, as well as number of shareholders. Then we look at whether a team played in that league last year, or played on a different night at our club. If two new teams are tied for last registration spot and both have one shareholder, but one registered earlier, that one gets in.

If you are new to the club, pick your night and, when registration opens, email your forms to us as soon as possible. If you could play another night, put your 1st and 2nd choices on the form. We will not process your payment until you are ensured a spot.

If you are a full team, new to the club, please fill out both the team registration form and the individual registration forms for each team member. Once you have been added to our database, you will only need to submit the team form going forward unless your personal information changes.

Returning teams need only fill out the team registration form. Payment can be one full payment (the total of the individual member fees) or members can pay separately. *(Please note that if your team wants to split payments equally among members, you must take care of that OUTSIDE the payment to CCC. We cannot accept payments that don't fit our fee schedule. Thank you for your understanding.)*

NOTE: all payments must be in by September 8 to ensure your team spot in the league.

CCC Leagues

Monday, Tuesday, Wednesday, and Thursday have Open Leagues (any combination of players). Monday and Wednesday also have a Men's League. Friday is a pure mixed league (2 men, 2 women). We take 180 teams for the five nights. On all nights, new teams start in "D" so we assume beginner status. If you would like to discuss this, please call the office or drop by.

Associate Leagues

We have 22 associate leagues that take teams as well. They rent ice from CCC, but run their own leagues. You can find information about these leagues – which run days, afternoons and weekends – on our website.

Non-curlers & Single players

If your non-curler members want, we do have instruction available. For \$45 they could spend ½ hour on the ice learning the basics. That could be set up in September before league play starts on October 2.

We do not have sign up for singles – it's all teams. We do have a form you can fill out if you want to be considered for a team, and if a team needs a member, we offer them the list of people looking.

Failing that, another option to curl more nights is to sign up as a Rover, which puts you on our official spare list. That said, unknown Rovers don't often get called, so if you do choose that option, we recommend that you show up ½ hr before a game you're free to play. Emergency team member needs come up, and once you've played some, then you are more likely to get calls.

BYES:

CCC offers the option to request a bye for a specific date of play. If you know in advance that you will be unable to field a team, or would prefer an early or late bye on a certain date, please email the office (info@calgarycurlingclub.com) with:

- the name of your team
- the league you are in
- the date you are requesting a bye

NOTE: we are unable to accept bye requests by phone or by in-person request.

All bye requests are logged and honoured (as possible) by date received. Byes can be accepted until a draw is completed by the draw master.

LOCKERS:

Due to Covid19 restrictions, no one will be able to have lockers this year. Please bring your gear with you when you play.

DEFINITIONS:

Senior: 65 as of September 1, 2020

Junior: under 18 as of September 1, 2020

Student: full time (proof of status necessary) for the 2020-21 season
