

## Ice Technician-Calgary Curling Club

- August 21, 2023 Start date.

The Calgary Curling Club is accepting applications for the position of Ice Technician for the 2023-24 Season. This seasonal position will begin in August and run through to the end of April. 40 hours per week is preferred. The successful applicant must be prepared to work weekends and evenings. Job responsibilities include but are not limited to:

- \*Assist with installation of Ice surface
- \*Daily maintenance of ice including scraping, pebbling, etc.
- \*Responsible to play a role in maintaining a clean facility
- \*Work in a team environment that may include other duties as assigned.
- \*Being courteous and helpful to Club Members and visitors is very important.
- \*This position is supervised by the Head Ice Technician

Remuneration will be based on experience and work hours available

This position is open to applicants with minimal Ice Technician experience but possess related skill set and are willing and engaged to learn.

For any questions about the position please contact Rob Fisk, head ice technician:
